

COMMONWEALTH OF KENTUCKY

BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

AN INVESTIGATION OF ELECTRIC RATES OF)
LOUISVILLE GAS AND ELECTRIC COMPANY TO)
IMPLEMENT A 25 PERCENT DISALLOWANCE OF) CASE NO. 10320
TRIMBLE COUNTY UNIT NO. 1)

O R D E R

By motion dated August 14, 1995, Louisville Gas & Electric Company ("LG&E") seeks an Order from the Commission vacating the procedural schedule included in the Commission's July 19, 1995 Order in this case. As grounds for its motion, LG&E notes that the Attorney General has sought to appeal the July 19, 1995 Order to Franklin Circuit Court and that LG&E has filed a motion for rehearing on that Order. It further states that it would be inappropriate and counterproductive to implement the ordered refund until its specific amount is known.

The Commission, having reviewed the motion and being otherwise sufficiency advised, finds that the procedural schedule contained in its July 19, 1995 Order should be vacated pending further action by the Commission on the pending motion for rehearing filed by LG&E.

IT IS THEREFORE ORDERED that the procedural schedule contained in the Commission's July 19, 1995 Order in this case is vacated pending further action by the Commission on LG&E's motion for rehearing.

Done at Frankfort, Kentucky, this 16th day of August, 1995.
